The Canadian Home Builders’ Association – Alberta (CHBA – Alberta) is proud to announce the winners of the 2016 Awards of Excellence in Housing. The awards were presented Sept. 16 at BUILD, CHBA – Alberta’s annual conference, held at Fairmont Jasper Park Lodge.

Builder of the Year Awards were presented in four categories for the best overall score in the competition based on design, safety, volunteerism and customer satisfaction. Housing awards were also presented in 27 categories to Alberta’s top home builders, renovators and community developers. CHBA – Edmonton Region companies won 14 category awards, Calgary companies claimed 11 awards while Lethbridge had two winners. Factors in the judging include curb appeal, layout, functionality, finishes, special features and value.
