*Offer available until December 31 2019 to residential customers. Offer includes Internet 300, Optik TV Essentials, and Home Phone Lite on a 2 year service agreement. Cannot be combined with other promotional offers. Offer valid for first subscribing occupant of unit only and is not transferable to a new residence. Regular prices apply at the end of the promotional period. The Essentials is required for all Optik TV subscriptions. TELUS reserves the right to modify channel lineups and packaging, and regular pricing, without notice. HDTV-input-equipped television required to watch HD. Minimum system requirements apply. Final eligibility for the services will be determined by a TELUS representative. Other charges or fees may apply. A cancellation fee applies to the early termination of a service agreement and will be \$15 for the PVR and digital box multiplied by the number of months remaining in the service agreement. Rental equipment must be returned in good condition upon cancellation of service, otherwise the replacement cost will be charged to the account. Not available in all areas. Internet access speed depends on location, usage within the home network, Internet traffic and server configurations. For a description of TELUS' network management practices please see telus.com/networkmanagement. Internet access is subject to usage limits; additional charges apply for exceeding the included data. TELUS Home Phone service terms and some restrictions apply; visit telus.com/serviceterms and telus.com/homephone for details. Customers in regulated areas, add an additional \$5 per month. 911 service charges and taxes are extra. Calls terminating in the 218 and 712 area codes and overseas calls terminating on a wireless phone or audio text facility may be subject to higher rates. Make your home even smarter.

Smart home accessories make your home run even more efficiently. Have a closer look at a few of these smart add-ons:

Doorbell Camera

See who's there, from anywhere. The doorbell camera rings when you're at home or on your TELUS SmartHome app when you're away. With built-in two-way voice communication, you can talk to whoever's at the door in real-time.

Smart Door Lock

Connected to the Doorbell Camera, or used separately, the keyless entry door lock allows you to lock and unlock your door from your TELUS SmartHome app or on the door itself using a customized code.

Outdoor Camera

This Wi-Fi enabled camera can capture live and recorded video around your home. Rest assured that your home is under reliable surveillance—even in the dark.

Smart Thermostat

The smart home thermostat can be set to automatically adjust to your household schedule. Or you can adjust the temperature up or down from anywhere, saving you energy and money.
